
We're hiring a Pediatric Physiotherapist in WINNIPEG!

Description:
If you love working with kids and babies, we have a fantastic opportunity for you to join our team at Kids Physio Group - Winnipeg. All experience levels are welcome (keep reading to learn more about our mentorship program!).

We are a growing pediatric physio company that offers its physiotherapists an incredible working environment to treat their young clients, long-term opportunities for growth in the company, and a strong community of like-minded pediatric physios. We truly care about our team and want to see you succeed in your clinical practices and in life outside the clinic.

Compensation:
We typically hire commission-based employees, and are excited to talk more about what that looks like, depending on experience, hours, and what you value in a compensation package.

The Company:
Kids Physio Group (kidsphysio.ca) is a company of registered physiotherapists, with locally owned clinics across the country. We have a network of almost 100 pediatric physiotherapists who are incredibly passionate about making physio FUN, and collaborate regularly to deliver world-class care to our clients. Our kid & teen-friendly clinics are bright and colourful, and our appointments are long and 1:1 to ensure we build rapport and support our young clients in reaching their maximum physical potential.

The Community:
The Winnipeg clinic has been a part of the community since 2023 and has built strong connections with local physicians, specialists, and community organizations. Kids Physio has established an online presence from which we receive regular referrals, and we have our own Instagram account that we use to connect with our local community @Winnipegkidsphysio - check us out!

The Clinic:
Our spacious clinic has lots of natural light and a warm, inviting atmosphere with all the games and toys you could need. We're located in a family-friendly neighbourhood with plenty of amenities nearby (including tons of great lunch spots!).

The Position:

- **Schedule:** Part-time (12-14 hours per week) 12-month term with possibility for extension, starting January 2027. Saturdays required.
- **Experience:** all experience levels are welcome to apply, including exam candidates/interim physiotherapists and new grads. Our comprehensive mentorship program will allow you to grow into an expert at treating pediatric clients!
- **Passion for working with children:** experience with children and youth (including in non-clinical settings!) is an asset.

The Perks:

- **World-Class Support & Mentorship**
    - Comprehensive onboarding to set you up for success;
    - Monthly 1:1 meetings with your Clinical Manager;
    - Designated Clinical Coach to help you on the fly;
    - Kids Physio's Pediatric Mentorship program and online learning modules;
    - Regular inservices, clinical clubs, DE&I sessions, and other learning opportunities;
    - A small and supportive team in person AND the largest team of pediatric physiotherapists in the world to support your growth and learning.
- **Flexibility & Growth**
    - Schedules that can change as your life does;
    - Flexibility for vacation, time off, or family commitments;
    - Experienced and dedicated managers;
    - Opportunities to grow in your area of passion, whether that be clinical, teaching, management, community engagement, or something else.

Compensation:

We offer competitive compensation packages to our physiotherapists and include all of the listed learning opportunities at no cost. You can expect to earn $60,000-$90,000 for a full time role, depending on hours and performance. Our compensation structure allows you to focus on your learning while having the opportunity to make an excellent wage as your skills improve. As an experienced physio you can expect to earn upwards of $100,000 for a full time role.

Our contracts also include:

- Commission-based model;
- Vacation and stat holiday pay;
- Eligibility for health benefits if working 20+ hours per week;
- Annual performance reviews and compensation increases.
