

BROWNSTONE HEALTH

Term full-time physical therapist required, with opportunity for extension(s)

We are a unique, multi-disciplinary health centre. We operate as a true-team clinic experience. We encourage flexibility, creativity, and provide the opportunity for personal & professional growth. We promote the ability to follow your professional interests, with mentorship available.

Brownstone Health & Fitness was founded in 2009, and strives to exemplify Integrity, Quality, Compassion, Knowledge, & Teamwork. We moved into a custom-renovated 7000 square foot new location in January 2017. We are looking for a confident, skilled physio to help us with the increased caseload. Check out our website, www.brownstonehealth.ca, to see if we are the right fit for you.

We offer generous compensation with our work structure individualized for our practitioners based on their preferences. A relocation allowance would be considered. Email your CV to admin@brownstonehealth.ca if this opportunity resonates with you.

Requirements:

- Physical therapy degree from an accredited institution
- Ability to obtain licensure in Saskatchewan
- Experience of at least 2 years in Canadian private practice would be an asset, but not a requirement
- Preference for candidates with interest in sports, orthopedics, acupuncture, pelvic health, vestibular therapy or neurorehab
