

Permanent Part-time Physiotherapy position

East St. Paul Physiotherapy is an established 2000sq ft clinic with seven private treatment room and a large workout area. We are located just one mile north of the perimeter on Henderson Hwy. We are next to a large medical clinic, Pritchard Farm Health Centre, as well as an Orange Theory Fitness. Part-time hours available with the potential to increase as caseload builds.

What we offer:

- Work alongside two physiotherapists with over 15 years of experience each
- Commission or salary based fee structure with holiday and vacation pay
- Flexible hours and schedule (2-3 afternoon/evenings per week; Saturdays (days) from October to May)
- Benefits available with dental and vision with increased hours
- Education fund

What we are looking for:

- Candidate with a dynamic and professional attitude
- Eligible to practice and maintain membership with the College of Physiotherapists of Manitoba (CPM)
- Membership with the Canadian Physiotherapy Association preferred
- Ability to work independently but function in a team environment as well
