

Corydon Physiotherapy Clinic requires a Home visit Physiotherapist to join our team.

- ❖ Half time permanent position available now. We can be flexible on the start date. Average of 11-14 home visits per week now, with definite potential to grow.
- ❖ Flexible with hours and days. 3 days per week ideal. Hours are your choice, but between 830am and 530pm is ideal. Saturdays are an option also.
- ❖ You would lead our "At Home Program" in its 10th year. Immediate caseload and further growth potential in the short term. Solid referral base from PT's and Dr's. in a well established clinic. (1979). You will find your caseload pleasant, interesting and challenging. Also, you'll have lots of autonomy.
- ❖ Equipment supplied. You will require a vehicle and mileage costs are reimbursed. Caseloads have been restricted to the Southwest quadrant of Winnipeg but can be expanded.
- ❖ Use electronic charting remotely and also use Physiotec exercise software.
- ❖ We want to compete! We are offering a very competitive commission structure and bonus system, and mileage reimbursement.
- ❖ New grads welcome to apply
- ❖ For our team and clinic portfolio see: www.corydonphysiotherapy.com
- ❖ Apply in confidence to Mr. Kelly Milan, PT, Owner/Director. Questions welcome prior to applying.
- ❖ Preferably via email: kmilan@mymts.net
