

Integrated Dry Needling (IDN)

Whitmore Physiotherapy Consulting

Course Description: Intramuscular Dry Needling (IDN) can be an effective and useful adjunct to an overall treatment program for neuro-orthopaedic patients. This course is designed to cover trigger point dry needling techniques for the whole body for varied musculoskeletal conditions. Prior needling experience is not required, but is an asset. This course is open to Physiotherapists only.

Course Dates: 6 days – 8 hours a day (48 hours); Please note Fridays start at 12pm

- January 12-14, 2018
- February 23-25, 2018

Location: Winnipeg, MB, exact location of course TBD

Prerequisites:

- Be in Physiotherapy practice for a minimum of three (3) years
- Proof of Provincial Licensing body of current clinical practice
- Proof of malpractice insurance with the CPA or equivalent
- Acupuncture Certification from AFCI or equivalent
- Recommended: A minimum of Level 2 upper and lower courses from the Diploma of Manipulative Therapy program run through the Orthopaedic Division of the Canadian Physiotherapy Association.

Fees & Registration: \$2500 CAD plus HST (\$2825.00). This fee includes all course materials, demonstrations, practical sessions, and examinations. Lunch is provided each day. Cut off date for registration is November 27, 2017

Course Registration: *PDF – see attached*
