Email: admin@mordenphysiotherapy.ca

Website: www.carmanphysiotherapy.ca

Phone: 204-822-OUCH (6824)

Description: The clinic is a growing physiotherapist owned and operated 3000 square foot facility located in downtown Morden MB that is newly renovated. This modern multi-disciplinary design consists of 2 physiotherapists, 1 athletic therapist, 4 massage therapists and a Sports Medicine MD Walk-In Clinic that is offered once a week. All equipment is new with 6 high low tables, modalities, bikes, treadmill, hydrotherapy tub, and ample exercise space. We currently utilize EMR software and provide a personal laptop for all staff. Our services also include custom orthotics, orthopedic bracing, medical supplies, acupuncture, dry needling, vestibular therapy and personal training. We pride ourselves in having a staff that is a fun, family oriented group, who also enjoy being active in the community. We provide voluntary services to local athletic programs including high-school, AAA, MJHL, figure skating, triathlon, as well as other non-athletic community events. Morden Physiotherapy was named Small Business of the Year in 2016 and recently partnered and opened up a sister clinic named Carman Physiotherapy in February of 2017 which is located inside the Carman Community Health Centre. The Morden Physiotherapy team is looking for a part time or full time registered physiotherapist to join our practice as soon as possible. Clients are mostly private insurance, with some WCB & MPI clients.

The Requirements

- Registrant in good standing with the College of Physiotherapists of Manitoba
