PANEL DISCUSSION

Solutions for maintaining clear boundaries in service healthcare

Facilitated panel discussion where ethics professionals from each organization will be presented with common case examples of boundary violations and challenges for discussion. *Sample cases will be sent to participants as well in advance of the event.*

SPEAKERS

Aviva Goldberg, MD MA FRCPC

Ethics Medical Advisor, Winnipeg Regional Health Authority

Aviva Goldberg is a pediatric nephrologist and ethicist. She is the ethics medical advisor to the Winnipeg Regional Health

Authority. She completed her pediatric nephrology fellowship and ethics fellowships at Northwestern University and her master's degree in bioethics at Loyola University Chicago.

Jennifer Dunsford, RN MN

Director, Ethics and Accessibility, Winnipeg Regional Health Authority

Jennifer Dunsford is the Regional Director for Ethics Services with the Winnipeg Regional Health Authority. She has

nearly 15 years of nursing experience in a variety of roles including direct care and administration, quality and patient safety, research and ethics. She has been a certified oncology nurse and an educator and is currently pursuing a Master's in Public Administration.
