Pathway Rehabilitation is seeking a physiotherapist to join our team. The successful applicant will be based at our clinic in Brandon, MB.

We are a multidisciplinary clinic that includes physical medicine, physiotherapy, athletic therapy, occupational therapy, and psychology.

The successful applicant must hold a current physiotherapy license, be willing to work independently with a private client caseload, and also as part of the multidisciplinary treatment team. The employee will begin with a guarantee of part time hours with the goal of building a client portfolio and progressing to a full time position.

Pathway Rehabilitation offers a competitive wage structure based on professional experience and also supports ongoing professional development through a continuing education allowance. We foster an environment of professional growth through mentorship and we provide our clinicians with up to date rehabilitation tools and resources.

Please forward your cover letter and resume to Clinic Manager, Kent Paluk via email: kentpathwayrehab@gmail.com

Thank you in advance for your interest in this position. Only candidates considered for an interview will be contacted.
