

Ortho and/or Neuro Physio Wanted!

We are looking for a permanent orthopaedic and/or neurological physiotherapist to start end of August/early September 2017 at our private clinic. Special consideration will be given to those with training to treat vestibular conditions and concussions.

We are located in a professional centre in the south end of the city (South St. Vital) in a bustling residential area.

Shifts are Tuesday to Friday:

Tuesdays and Thursdays: start time around 1pm with last patient at 6:45 pm

Wednesdays and Fridays: start time at 9:30 am with last patient around 4:00 pm

Ortho: we are looking for a physio with good interpersonal skills that can use a combination of education, manual therapy, and tailored home exercise programs to treat their patients. Certification in acupuncture an asset.

Neuro/Vestib: certification in this area is a plus. There is opportunity for mentoring.

Must be registered to practice with the College of Physiotherapists of Manitoba.
