

SHAMROCK • PHYSIOTHERAPY •

FULL TIME PERMANENT PHYSIOTHERAPY POSITION AVAILABLE/ CLINIC FOR SALE

We are located in southern Manitoba, 1 hour southeast of Brandon, in Killarney. Our clinic is a well-established and well-equipped 2000 sq. ft. space with 4 private treatment rooms and a large gym area, including a fully equipped Pilates studio. We are the only physiotherapy clinic in the community, and see a wide range of patients. Mentoring would be available in sports and orthopaedics from a Sport Physiotherapy Diploma and FCAMPT therapist. An advantage of rural practice is your schedule flexibility and no expectation of evening or weekend hours.

Qualifications: Must be licenced with the College of Physiotherapists of Manitoba. Acupuncture and manual therapy courses are an asset, though all applicants will be considered. International applicants who have not yet completed the practical portion of the PCE will not be considered as direct supervision is not available.

Contact: Meaghan Shewchuk at 306-830-0847 (mobile)
