The Sunrise Health Region is committed to a representative workforce, where all members of Society have fair access to employment and economic opportunities so that there can be a representation at all occupation levels and sectors of the economy in proportion to their numbers in the population of our community.

**Our Vision**

Working together ...for healthy people in healthy communities.

**Our Mission**

To improve the health & well-being of individuals and communities through leadership, collaboration and the provision of high quality health services.

**Our Values** – Collaboration, Courage, Compassion, Creativity & Commitment.

**Job Summary:**

The Physical Therapist - Degree reports directly to the Managers of Children's Therapy and has a reporting relationship to managers of other services and programs when working in those programs. He/she receives clinical guidance from the senior Physical Therapists. He/she is accountable for the provision of physical therapy services to the clients in pediatrics as well as outpatient neurology, and will provide coverage in other service areas in staff absences. The Physical Therapist - Degree is responsible for a clinical caseload and provides direct care to clients. He/she promotes quality health care outcomes working within established standards of practice to ensure that clients receive a high standard rehabilitative care. This will be done in accordance with Sunrise Health Region mission statement and Therapy Department statement of purpose, policies and procedures of the facility and department.

**Experience:**

Experience working with children an asset.  
Experience working with clients following a neurological event is an asset.

**Qualifications:**

**Required Qualifications**

- Bachelor or Masters Degree in Physical Therapy
- Registered or eligible for registration with the Saskatchewan College of Physical Therapists
- Valid drivers license or the ability to travel both within the Region and Provincially

**Knowledge, Skills & Abilities**

- Ability to follow safe work practices
- Ability to travel both within the region and provincially
- Ability to work independently and as a member of a multi-disciplinary team
- Advanced communication skills
- Critical thinking skills
- Demonstrated ability to be self-directed
- Demonstrated ability to take initiative
- Knowledge of the privacy requirements in the Health Information Protection Act
- Responsibility and accountability at all times for her/his own practice
- Sound clinical judgment skills
- Willingness to work flexible hours

**Other Information**

- Preference for this position will be given to HSAS members in accordance with the terms and conditions of the SAHO/HSAS Collective Agreement

**Additional Text:**

External Applicants MUST upload the following as a single attachment: resume, current Criminal Record Check and Vulnerable Sector Check (less than 6 months old) Grade 12 or Post Secondary Education Certificates/Transcripts, Proof of enrollment if applying on Certificate/Diploma positions and any applicable Licenses/Registrations. \*\*\* Please note that if all relevant information is not received your application will not be reviewed.
