

FULL-TIME Physiotherapist **Located in Thompson, MB**

Horizon Occupational Health Solutions is a private physiotherapy and occupational health clinic. We help people achieve their best health and professional performance by providing the tools, resources and support they need to take a more proactive approach to managing their health. We help companies contain costs and increase productivity by identifying unique drivers of health in their organization and offering integrated solutions to support them.

The ideal candidate should enjoy working in a multi-disciplinary setting. We are looking for a therapist who would complement our existing team of private practice Physiotherapists who use a variety of skills including manual therapy, exercise therapy, and acupuncture for a predominately adult orthopedic caseload.
