

The Position

We are looking for a registered physiotherapist to join our growing mobile practice on a permanent basis between 0.3-1.0 FTE. Hours can be daytime only or can include evenings and weekends if preferred.

What we offer

Our physiotherapists are encouraged to utilize unique flexibility to create a work schedule that fits their lives while also enjoy highly competitive compensation.

Extended health benefit plan also available.

The Company

ARMP enables all people to access physiotherapy services in order to empower them to live at their optimal quality of life. We also value balancing work with life so that our physiotherapists thrive.

Who we are looking for

We are looking for motivated physiotherapists who enjoy working with seniors and ideally are comfortable in both hospital and in-home settings. The ideal candidate will have 2 plus years of experience and a valid Manitoba drivers license.
