

Pelvic Health Physiotherapist Posting

The Clinic

Cormack Recruitment is proud to represent **Equilibrium Massage Therapy + Wellness Centre**, a thriving multidisciplinary clinic comprised of a collaborative team of healthcare practitioners, bringing wellness to Winnipeg for more than 16 years. Specializing in therapeutic prenatal and postpartum care, as well as the support of patients managing chronic pain, stress, nervous system dysregulation, injury rehabilitation, and significant life transitions or recovery, at Equilibrium, every patient's care is individualized, relationship-based, and grounded in thoughtful assessment and clinical reasoning.

Why Work Here?

Committed to delivering balance for both the Patient and the Practitioner, this clinic emphasizes an internal culture of collaboration over competition, fostering an environment of mentorship, mutual skill exchange and overall growth and development for all. They have worked hard to remove the barriers that often lead to burnout, so you can focus on delivering exceptional care. From full administrative, marketing, and laundry support to flexible scheduling and group benefits, if you are looking for a collaborative, therapist-first clinic with a strong team culture and offering real work-life balance, THIS is the place for you!

The Opportunity

As this clinic's first in-house **Pelvic Floor Physiotherapist**, you will play a pivotal role in supporting the growth and holistic care of the clinic's strong existing prenatal, postpartum, and pelvic health patient base.

You will assess, diagnose, and create tailored, relationship-based treatment plans for patients navigating a variety of pelvic health conditions, including, but not limited to, urinary and fecal incontinence, chronic pelvic pain, disorders or dysfunction, as well as pre- and postnatal care, working in close partnership with the multidisciplinary team at the clinic to deliver a comprehensive approach to pelvic health and wellness.

What's in it for YOU?

Aside from the **amazing atmosphere and talented team** you'd be joining, check out the additional benefits of working at this practice:

- **Independent Contractor Status without the hassle:** utilize the Clinic Coordinator to support your administrative needs for payroll and invoicing.
- Competitive tiered fee structure that includes up to **60% of billable patient rates**
- Access to the Chamber of Commerce **health plan, including short-term and long-term disability**, with the option to pay into it.
- Annual **company-sponsored retreat** in January (2 nights, conference, team building).
- **Company-sponsored birthday celebrations and events** to celebrate staff personally and professionally.
- The opportunity to embrace your community through **regular charitable outreach** and involvement.

What We're Looking For

- **All applicants must be registered for Active Practice or receive Temporary registration (out of province) with the College of Physiotherapists of Manitoba (CPM) in order to be considered.**
- Completion of **recognized post-graduate training in Pelvic Floor Physiotherapy**
- We are actively seeking an experienced practitioner with **more than 2 years of hands-on treatment facilitation** specifically in the management of pelvic health.
- Comfortable working in an **Independent Contractor** capacity, including the facilitation of your own GST remittance and CPP and EI contributions.
- Proficiency with **Jane** is required for chart notes and scheduling.
- A compassionate practitioner who values relationship-based care and root cause treatments over quick fixes

Pelvic Health Physiotherapist Posting

- Someone who thrives in a multidisciplinary environment and enjoys sharing knowledge with other healthcare disciplines (massage therapists, acupuncturists, etc.)
- Professional, reliable and eager to continue to build the practice
