

GRACE HOSPITAL

# PHYSIOTHERAPISTS

***WELCOME TO GRACE HOSPITAL, where many of life's most important moments take place.***

The Grace Hospital plays an integral role in the delivery of health care services in Winnipeg and surrounding communities, and has done so since 1904.

Grace Hospital is an operating division of the Winnipeg Regional Health Authority and is one of three acute care sites in Winnipeg, along with Health Sciences Centre and St. Boniface Hospital. We have a full service Emergency Department, critical care and a full complement of acute care services.

Well-being and work-life balance are promoted at Grace Health Campus, which also includes Grace Hospice and Access Winnipeg West. Join our team and enjoy a rewarding career where you are treated with respect and are part of a robust employee culture.
