

Healthview Therapy Centre is a well-established multidisciplinary clinic in west Winnipeg seeking a Physiotherapist to join our collaborative team.

This position is **replacing a physiotherapist who built a full caseload over 10+ years**, creating an opportunity with **immediate patient volume available**.

We offer a supportive, team-based environment with chiropractic, physiotherapy, massage therapy, and athletic therapy services under one roof. Our clinic has a strong reputation in the community, with a **loyal patient base built on repeat visits and referrals over 25 years**.

What sets this opportunity apart:

Above-average compensation

Earn **60% of billings** — a highly competitive split that rewards your productivity.

Immediate, established caseload

Step into an existing demand with **patients already waiting to be seen**. Strong internal referrals and minimal local competition compared to more saturated central clinics.

High-demand west Winnipeg location

Busy area with **less therapist saturation** and consistent patient flow.

Flexible practice style

Freedom to build your caseload, treat, and set your schedule according to your clinical strengths and interests.

Future ownership opportunity

The clinic owner is planning a **transition within 3–4 years**, offering the **option to step into ownership of an established clinic with an existing patient base**.

The current owner is **willing to mentor the transition and remain in a reduced role** to support continuity.

Ideal candidate:

- Registered in Manitoba
- Motivated, independent, and patient-focused
- Interested in working within a collaborative, multidisciplinary setting

This is a strong opportunity for someone looking not just for a position, but for **long-term growth and a clear path to ownership**.
