

Are you a passionate physiotherapist looking for an exciting opportunity in a collaborative, multidisciplinary clinic? Healthview Therapy Centre is currently seeking a motivated and dedicated physiotherapist to join our growing multidisciplinary team. This position offers the opportunity to take over a well-established part-time caseload built over the past 13 years, with the option to work full-time.

Why Healthview?

At Healthview Therapy Centre, we provide exceptional patient care while fostering a supportive and fun work environment. You'll be part of a team that includes massage therapists, chiropractors, athletic therapists, and other physiotherapists, giving you the chance to work in an integrated setting that enhances patient outcomes.

What We Offer:

- Above average remuneration: We recognize and value your clinical expertise with a strong remuneration structure.
- All supplies provided: We supply therapy equipment, exercise equipment, acupuncture needles, athletic tape, towels, business cards, and more.
- State-of-the-art facilities: Our clinic features a modernized gym, an AlterG Anti-Gravity Treadmill, two shockwave therapy machines, and a magneto shockwave to support advanced treatment options.
- A collaborative environment: Work alongside an incredible team of professionals who are just as passionate as you are.
- Flexible scheduling: We are offering a part-time or full-time opportunity and aim to support a schedule that promotes a healthy work-life balance.

What We're Looking For:

- A licensed physiotherapist who is committed to patient care and professional growth.
- Bachelor's or Master's degree in Physiotherapy.
- Must be licensed and in good standing with the College of Physiotherapists of Manitoba.
- Must be a member of the Canadian Physiotherapy Association with liability insurance.
- Acupuncture certification is an asset but not required.
- Someone who thrives in a team setting and enjoys working alongside other healthcare professionals.
- A motivated individual ready to build a thriving practice with our strong referral network.

Interested candidates are invited to submit their resume to office_admin@healthview.ca. For additional information about the position, please contact (204) 885-5864 and ask for Michelle.

We look forward to connecting with you!
