

Job Description

On Track Physiotherapy is located on the beautiful Sunshine Coast in British Columbia. Enjoy ocean views, outdoor activities, restaurants and cafe's, farmer's markets, as well as access to Savary Island and Texada Island. Perks of working at an owner operated clinic include higher pay, autonomy in the workplace, flexible work hours, and room to grow your practice as you wish. The clinic is focused on evidence-based physiotherapy practices, learning and evolving, providing clients with durable results by pain & movement education we hope to find the right physiotherapist to join our team!

Currently we have a team of 4 Physiotherapists, 2 Kinesiologists, and our administration manager + admin assistant. We fully book your schedule and handle all billing. We are hoping to add one full time Physiotherapist to the team. We either offer hourly wage for as many hours/week you wish (i.e. 40 hours/week @xx/hour) or a % split (50-60% based on experience). As an hourly employee we offer full hours/pay as you build your caseload. Hourly wage is based on experience and preference for treatment time length etc., pay will be discussed through interview process.

On Track Physio's caseload is mainly orthopedic, we treat private pay patients, patients with extended benefits, ICBC, Worksafe, and various other funders as we value access to health care. Due to being a rural community, we treat a wide variety of injuries. Our work schedule is flexible based on your preference (i.e. 30-minute appointments and 40-60 minutes assessments), as well as blocks throughout the day to do charting and reporting (paid charting/reporting time if you choose to be on hourly wage).

Our 2200sq ft. large facility is equipped with a squat rack, plate loaded machines, treadmills, bikes, dumbbells, kettlebells etc.

We have been successfully involved with the PT student placements through the UBC and are therefore used to offering continuous mentorship. We have done fun things as a team like frequent team lunches and yoga during clinic hours. As well as occasional team workouts. We also offer biweekly education for 1 hour for our physiotherapy team.

We are open to offering a signing bonus, extended health plan, and continuing education. Open to negotiation.

Powell River has countless outdoor activities are at your fingertips: hiking, camping, kayaking, biking, sailing, fishing. It is very family oriented and provides many organized sports. The city is growing and a great place to live!
