

Physiotherapist / Athletic Therapist | Full Gym, FCAMPT Mentorship & Total Schedule Autonomy

Location: Morris (Just 30 minutes from Winnipeg)

Position: Full-Time or Part-Time Physiotherapist or Athletic Therapist

Looking to build a thriving clinical practice without the burnout, rigid corporate schedules, or high cost of living in a major city center? Join our dynamic team in Morris—a quick 30-minute commute from Winnipeg—where you can enjoy the best of both worlds: small-town community connections with high-caliber clinical opportunities.

Why You'll Love Building Your Career Here

- **FCAMPT Mentorship:** Direct, structured mentorship from Advanced Musculoskeletal / FCAMPT-certified clinicians to help you sharpen your manual therapy, clinical reasoning, and caseload management skills.
- **Full Gym Access:** Work out of a modern facility with a fully equipped gym, functional movement area, and open rehab space—giving you the freedom to take patients from early-stage rehab all the way to high-performance strength and conditioning.
- **Complete Schedule Autonomy:** Take control of your day. We offer flexible scheduling, customizable appointment lengths, and true work-life balance so you can design a routine that actually suits your lifestyle.
- **Rural Perk, Big Impact:** Enjoy lower overhead, a strong referral network, and a loyal, diverse patient population where you can treat a wide variety of conditions—all while avoiding the heavy traffic and high cost of living of a larger city.
- **Supportive Team Environment:** Full administrative support, front-desk reception, and electronic charting so you can focus entirely on patient care.

What We're Looking For

- Licensed (or eligible for registration) Physiotherapist or Athletic Therapist in good standing with the provincial regulatory body.
- Enthusiastic new graduates or experienced clinicians eager to learn, collaborate, and grow.
- A passion for active, exercise-based rehabilitation and evidence-informed care.
- Strong communication skills and a desire to connect genuinely with patients in a close-knit community.

Perks & Compensation

- Competitive commission structure
- Paid orientation and ongoing clinical shadowing.
- Flexible start date.
