

We are seeking a Physical Therapist to Join Our Team!

If you are looking for a positive environment that supports professional development with the option for a flexible work schedule, we look forward to your application. Our new team member should share our values of improving clients' quality of life, staying evidence based, and truly believe in living a balanced lifestyle. Our dedication to the profession and our hands on one-on-one care has built long-term relationships with our clientele and physicians in our area. With clinics 10 and 30 minutes from the perimeter, Oakbank and Beausejour offer the rural lifestyle with the city convenience.

What we can offer you

- Learn from experienced and supportive colleagues in multiple professions
- Supply you with a personal MacBook Air for our online charting, exercises prescription and electronic client communication systems
- No administrative work with reception, booking, billing and invoicing provided
- Paid subscription to education webinars, courses, and monthly up to date research articles and orthopaedic evidence
- Company sponsored outings and team events
- A solid referral base and an excellent community reputation
- Commissioned compensation with career advancement opportunities

Required to apply

- In good standing with the College of Physiotherapist of Manitoba
- Personal liability Insurance
- Orthopaedic Level 1 strongly encouraged

Contact us if you believe in the same core values

- Living a healthy balanced lifestyle
- Take pride in staying evidence based and continued learning
- Believe exercise is medicine
