

physiotherapist needed

Join Our Thriving Integrated Health Clinic as a Physiotherapy in Treherne, MB!

Are you a dedicated physiotherapist looking for a fulfilling role in a bustling clinic with a strong local reputation? We're seeking a passionate professional to join our established team for 2-4 days a week at our busy clinic in Treherne, MB.

Our esteemed physiotherapist, who has been a cornerstone of our community, is relocating. Their departure leaves a significant gap, as they have been deeply committed to providing exceptional care and fostering strong community relationships. We are seeking a new physiotherapist to step into this role, continuing the legacy of excellence and filling the important role that has been so integral to our patients and the local community.

Why Choose Us?

- **Proven Track Record:** Physiotherapy services have been a trusted part of the community for over 15 years, known for delivering exceptional care and building lasting relationships.
- **Collaborative Environment:** Work alongside a dynamic team of local physicians, chiropractor, and massage therapists, ensuring comprehensive patient care and a supportive professional network.
- **Lucrative Opportunity:** Benefit from a steady flow of clients and a rewarding work environment where your skills and contributions are valued.
- **Student Loan Forgiveness:** The federal government announced in 2024 that the Canada Student Financial Assistance (CSFA) program has been extended to include physiotherapists working in underserved rural and remote communities.

What We Offer:

- **Flexible Scheduling:** Enjoy a work-life balance with a schedule that fits your needs—2-4 days per week.
- **Established Patient Base:** Step into a clinic with a loyal clientele and a strong referral network.
- **Supportive Team:** Join a group of dedicated professionals who are committed to your growth and success.
- **Focus on Therapy:** Concentrate solely on providing top-notch physiotherapy care without the hassles of billing, booking, or marketing.

Your Role:

- Provide high-quality physiotherapy services to a diverse patient population.
- Collaborate with a team of healthcare professionals to deliver integrated care.
- Contribute to the ongoing success and positive reputation of our clinic.

Qualifications:

- Registered Physiotherapist with relevant certification and experience.
- Strong communication skills and a passion for patient care.
- Ability to work effectively independently and in a collaborative, team-oriented environment.

If you're ready to make a significant impact in a thriving clinic and enjoy a fulfilling career in Treherne, MB, we want to hear from you!
