

**Job Title:** Physiotherapist

**Location:** Dual location potential at Osborne Chiropractic Office and Spine Steinbach Rehabilitation and Wellness Centre

**Employment Type:** Part time leading into Full time

**Salary:** Competitive split

**About Us:**

At Spine Steinbach we are committed to providing comprehensive rehabilitation services that help individuals recover from injury, manage chronic conditions, and enhance their physical well-being. Our multidisciplinary team which currently includes chiropractors, athletic therapy, and acupuncture, provides personalized care to a wide range of individuals who want to recover from injury, reduce pain, and live healthy lifestyles. We are seeking a skilled and compassionate Physiotherapist to join our team and make a positive impact on our clients' lives.

**Key Responsibilities:**

- Assess, diagnose, and develop individualized treatment plans for clients with musculoskeletal, neurological, and/or cardiorespiratory conditions.
- Implement a variety of therapeutic techniques including manual therapy, exercise therapy, and modalities to restore function and mobility.
- Educate clients on injury prevention, postural alignment, and home exercise programs to support long-term health.
- Collaborate with other healthcare professionals to ensure holistic and comprehensive care.
- Track and document client progress and adjust treatment plans as necessary.

**Qualifications:**

- Bachelor's or Master's degree in Physiotherapy from an accredited institution.
- Licensed and registered Physiotherapist
- Strong knowledge of injury rehabilitation, movement dysfunction, and exercise prescription.
- Excellent communication and interpersonal skills.
- Ability to work collaboratively in a multidisciplinary team environment.
- Strong organizational skills and attention to detail.

**Preferred Qualifications:**

- Experience in a clinical setting or sports physiotherapy.
- Proficiency in using therapeutic modalities (e.g., ultrasound, electrical stimulation).
- Certification in specialized areas such as acupuncture, dry needling, or vestibular rehabilitation is an asset.
- Comfortable and proficient with soft tissue work such as deep tissue massage as part of treatment
- 

**Why Work With Us?**

- Supportive and professional work environment
- Flexible scheduling options
- Access to modern facilities, private room, and equipment
- Diverse client base ranging from rehabilitation to performance-focused therapy
- Lots of patient referral from other in clinic practitioners
