

Part-time Physiotherapist Position (With Potential to be Full-Time)

East St Paul Physiotherapy is looking for an enthusiastic physiotherapist with orthopedic/manual therapy experience. Our expanding practice is 2000sqft, with seven private treatment rooms. We are next door to a family physician office (Pritchard Farm Health Center) with nine family physicians, and a busy pharmacy. We are located one mile north of the perimeter on Henderson Hwy in East St. Paul.

Ideally, we are seeking physiotherapist to work part-time to full-time hours. Hours of employment can be flexible in regards to days of the week and time slots.

Qualifications: Licensed with the College of Physiotherapists of Manitoba.

Preferences: Outpatient or private practice experience
