

## Integrated Dry Needling Fall 2025 Winnipeg

**Location:** Prairie Trail Physiotherapy, 1-1190 Taylor Ave, Winnipeg, Manitoba

**Dates:**

- Online Course Dates: September 16 & 23, 2025 (evening)
- Practical Sessions 2025:
  - September 27-28
  - October 25-26
  - December 6-7

**Course Description:** Intramuscular Dry Needling (IDN) can be an effective and useful adjunct to an overall treatment program for our neuro-orthopaedic patients. This course is designed to cover dry needling techniques for the whole body for varied musculoskeletal conditions. Learning will take place through a combination of synchronous online sessions and in person practical sessions. These sessions will prepare you for the application and integration of dry needling to your caseload. With the prerequisite of a recognized acupuncture certification in Manitoba, the curriculum of this course makes you eligible to practice dry needling as based on regulations put forward by the College of Physiotherapists of Manitoba. This course is only open to Physiotherapists.

**Prerequisites:**

- Have been a Physiotherapist practicing for a minimum of two (2) years
- Proof of Provincial Licensing body of current clinical practice and malpractice insurance
- An acupuncture certification recognized by the College of Physiotherapists of Manitoba

**Fees & Registration :** The participant fee for the upcoming course is \$2500 CAD plus HST (\$2825.00). (Includes all course materials, demonstrations, practical sessions, and examinations). Registration deadline September 14, 2025.
