

Caitlin Trakalo
Rural Representative

Caitlin Trakalo originally had plans of becoming a City of Winnipeg Police Officer. Her plans were changed after an unfortunate incident in Corfu, Greece back in 2009 where she almost lost her life and broke both of her ankles in an ATV accident. Fast forward through 4 surgeries and years of physio and she found herself inspired to help others overcome her physical trauma and achieve their dreams! She graduated from the University of Manitoba in 2014 as part of the inaugural Masters of Physical Therapy class.

She is the proud owner of CT Physiotherapy in Ashern, MB- 160 km north of Winnipeg. She resides in Eriksdale, MB with her fiancé Jon and takes full advantage of all of the wonderful activities and lifestyle that living and working in a small town provides!
