Call for applications: Part time casual or term Physiotherapist

Gimli Physiotherapy Clinic requires the services of a part-time casual or term physiotherapist commencing as soon as possible. We are heading into our busy season at the lake, and this position is ideal for a physiotherapist who can only provide a short term commitment.

Gimli is located 50 minutes north of Winnipeg on the shores of Lake Winnipeg and is easily accessible by well-maintained highways. Gimli and surrounding area is a growing community of artists, families and retirees. Health care in this region is supported by a local hospital and several physicians.

Acupuncture certification and manual therapy training is preferred.

The patient population includes a mixed adult caseload; primarily musculoskeletal or arthritic conditions, also including post-surgical, work or MVA rehabilitation, and occasional pediatric, neurological or older adult conditions.

The successful applicant will demonstrate strong communication and interpersonal skills.
