

PRAIRIE

FITNESS & REHAB

PRAIRIE FITNESS & REHAB, located in downtown Portage la Prairie, MB, is looking for a registered physiotherapist to join our team. We are seeking an individual who is passionate about health and fitness and wants to be an integral part of our growing multi-disciplinary team.

PRAIRIE FITNESS & REHAB is a short 40-minute drive from Winnipeg. We pride ourselves in being able to offer employment that is flexible and challenging, all within a positive work culture. Our clinic is newly renovated with private treatment rooms and an open treatment bay, a full-service gym, all the standard physiotherapy modalities, as well as, access to the Swiss Dolorclast Radial Shockwave machine.

We Offer:

- multi-disciplinary environment with the chance to work closely and collaborate with other healthcare professionals such as: an athletic therapist, physiotherapist, chiropractor, and personal trainers
- varied caseloads with full admin and rehab aide support
- EMR system for record keeping and schedule
- 60-minutes for assessments, no weekend or late evening shifts
- health benefits
- gas allowance
- comprehensive compensation package with flexible hours
- cutting-edge therapeutic modalities / training and certification in their use and operation
- beautiful, fully equipped gym with specialized equipment
- twice yearly team building events
- additional incentives for an experienced candidate, which can be discussed further at time of interview

Qualifications:

- Ability to provide professional physiotherapeutic care to patients with a wide variety of possible conditions including but not limited to: fractures, pre and post surgical orthopedics, movement disorders, respiratory conditions, gross motor developmental delay, reconditioning, and chronic pain.
- ability to work well and collaborate with other health disciplines
- good communication skills
- a degree in Physiotherapy from an approved University
- proof of liability insurance
- current registration with the College of Physiotherapists of Manitoba

Additional course work in pelvic floor rehabilitation, acupuncture, sports injuries, or vestibular rehabilitation would be considered an asset. New grads are also welcome to apply.
