### Part-time physiotherapist position

We are looking for a highly motivated physiotherapist who is keen to continually learn and wants to develop a successful and fulfilling private practice. Our new team member should share our vision to improve clients' quality of life, and love helping people move better so they can live better.

- Newly expanded and renovated, busy private clinic that is continuing to grow
- Client focused, respectful atmosphere
- Helping therapists feel successful and be as busy as they want to be is a top priority
- Learn from experienced and supportive physio colleagues
- Mentorship and team learning opportunities available
- Motivated clientele
- Primarily private patients, small percentage WCB and MPI
- Trained rehab assistants to allow you to spend more 1 on 1 time with your clients
- Acupuncture an asset
- Amount of hours and times flexible/negotiable
