

HIRING FULL TIME PERMANENT PHYSIOTHERAPIST START DATE: AUGUST 2020

COME JOIN OUR TEAM OF SKILLED PROFESSIONALS

Established in 2011 **Steelcity Physiotherapy & Wellness Centre** is a facility designed to be a premier provider of rehabilitation services and promote overall wellness to the Interlake, Selkirk and the surrounding communities. Our vision is to provide a variety of services in addition to physiotherapy, including occupational therapy, massage therapy, athletic therapy, and semi-private training to help individuals attain a healthy lifestyle.

Steelcity Physiotherapy & Wellness Centre is a 6000 square foot state of the art facility. It was professionally designed to be an efficient practicing clinic but also to be modern and esthetically pleasing. It has 11 treatment rooms, two of which are private, two massage rooms, a 546 square foot aquatic therapy pool and a 1,000 square foot exercise area. Additionally, it has a soft tub for hydrotherapy, vast amounts of exercise equipment and a mechanical traction unit for use in spinal traction.

We pride ourselves in providing exceptional care. We have a strong manual therapy background and have extensive experience in treating many musculoskeletal, work-place, motor vehicle and sport injuries and utilize a very "hands on approach". We tailor every treatment program to each individual needs to achieve the most successful results.

In our clinic, we provide the benefit to individuals by having a multi-disciplinary approach to patient care in addition to becoming an integral part of a local health care team. We have an in-house Rehabilitation Co-ordinator along with a Medical Doctor, who complement our whole rehab team, offering Work Conditioning programs. At our core is a strong foundation of physiotherapy with the vision of complimenting it with valuable secondary services such as occupational therapy, massage therapy, acupuncture, athletic therapy, and semi-private training. We have built an excellent reputation with physicians, surgeons, insurance providers and we want to bring our expertise to Selkirk and the surrounding communities.

The successful Physiotherapist candidate must possess the following:

- Licensed to practice Physiotherapy in Manitoba
- In good standing with the College of Physiotherapists of Manitoba
- New Grads welcome
- Good team player
- Able to work in a fast-paced environment
- Able to work evenings and weekends
- Orthopaedic levels an asset
- Acupuncture an asset

The benefits of joining our team is a great learning experience with multiple practitioners, a benefits package and educational allowance available. Excellent remuneration and we provide a great team environment, offering a very valuable service to this thriving rural community.

Please send your resume in confidence to:
