

Job description

A clinic that fosters personal growth and continued support by gaining knowledge from each other to get the best results for our patients

We are located in the neighbourhood of Wolseley, a vibrant area that is centrally located in the city of Winnipeg and close to restaurants, retail and residential areas

We have strong relationships with medical clinics in the area and strong community support based off our combined 30+ years of experience. We are small but strong team with diversified training. We learn from each other!

We will help you get busy and you will love where you work

What We Offer:

Signing bonus

Regular support in maintaining/building caseload

EMR/charting software access

Education allowance \$500 in first year. Increases in year 2 & 3 (if an employee)

Free Access to Continuing Education Resources

Onboarding & Training

Con-Ed Meeting Opportunities

Health Benefits/Health Care Spending Account (if you're an employee)

Company Sponsored Team Dinners/Events

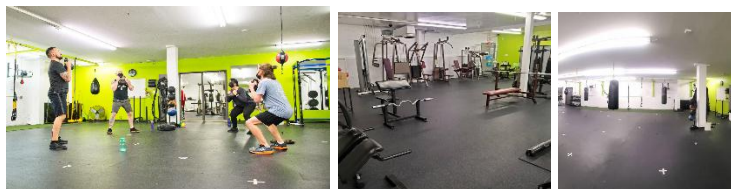

Free Gym Access

What Else?

No admin work. We will do billing and appointments for you.

If you're an exercise-based therapist: one of the larger rehab areas in the city:

3600 sq ft gym

Freedom: We encourage you treat based on the philosophies of your personal vision statement but within the mission statement of South Sherbrook.

Career Path Options:

1. Focus on your clinic practice and just treat patients
 2. Diversify your clinical work and get involved on the business side
- *Must be fully licensed in the province of Manitoba and be ready to go.
Job Type: **Permanent Part-time (3 days /week) or Full-time**

Salary: To be Discussed

Benefits:

- Flexible schedule
- On-site gym
- On-site parking

Schedule:

- Monday to Friday (Saturdays a possibility as well)

Supplemental pay types:

- Signing bonus

Language:

- English (preferred)

Ability to Commute:

- Winnipeg, MB R3C 2B3 (required)

Ability to Relocate:

- Winnipeg, MB R3C 2B3: Relocate before starting work (required)
