

St. Vital Physiotherapy
Full-time or Part-time permanent
Physiotherapy position available!

We are looking for a motivated Physiotherapist to join team of experienced professionals in a friendly and supportive environment.

St. Vital Physiotherapy and Sports Injury Centre has been building strong community relationships since 1986 and has a well-established caseload. We take pride in our strong referral base from physicians as well as happy, repeat clients. We have a great team of well-trained support staff to assist with treatment and administrative needs. Our experienced senior Physiotherapists can offer mentorship if requested. In-house continuing education from some of Winnipeg's most accomplished instructors is complementary. If you are looking for a positive work environment that supports professional development and work-life balance, we look forward to hearing from you!
