

## Manitoba Physiotherapy Association Biography

Mayank Bhatt

I completed my bachelor's in physical therapy from India (Delhi University) and Master of Science in Rehabilitation sciences from University of Manitoba. I always had a keen interest in working with patients with chronic health conditions. My physiotherapy experience includes working with bariatric population, Parkinson's, stroke and ageing population. I am able to offer physiotherapy services in English, Hindi and Punjabi. I presently work in the Wellness Institute (Seven Oaks General Hospital) as physiotherapist for the Pulmonary Rehabilitation program. . When not at work I love to travel and discover this beautiful province of Manitoba. I like to watch and play cricket, badminton and my new found love for pickleball.
