

DYNAMIC

CHIROPRACTIC & SPORTS THERAPY CENTER

PROVIDING THE COMMUNITY WITH LOCAL RESOURCES TO ACHIEVE OPTIMAL HEALTH

Ad title: Build a full caseload quickly! New patients guaranteed per week.

Located in the beautiful metropolis of Steinbach, MB, a short 35-minute drive southeast of Winnipeg. Steinbach, most know for our auto dealers, and one of the busiest Starbucks in Manitoba (conveniently located up the road from us)! Offering affordable housing, short highway commute from Winnipeg, and an amazing place to raise a family, meet new friends, and participate in a vast array of recreational activities. Steinbach has a continually growing population with numerous surrounding feeder communities (this population makes it easy to maintain a full caseload!)

Dynamic offers local relationships with doctors for referrals, sports teams/athletes of all levels as well as a patient base consisting of newborns to elderly. We pride ourselves on our team environment and positive culture, from our front desk to our team of professionals, we acknowledge everyone's specialty and importance which is why our clinic feels like family. Dynamic is a young and quickly expanding clinic, having to relocate into a space 3x the size of our first clinic within 2 years of opening and continually having to try to keep up with our growing patient demand. We cherish our community and pledge to continue giving back through volunteering, hosting public seminars, and contributing financially. We offer mentorship! We believe mentorship is very important for anyone starting out and set aside time to provide it weekly. We want to help you succeed and focus on being a clinician first!

We believe in MENTORSHIP!

Whether you are a season clinician or new grad, we help you plan your certification and (new) programs to sharpen and add new skills to your clinical toolkit. As clinicians our learning never ends.

As a new grad you can also take advantage of our Direct Mentorship Program. The Direct Mentorship Program is on-going until you feel like a clinician superstar.

How does it work?

- You will meet regularly with a dedicated clinical mentor.
- Practice new and advance techniques to build and sharpen your skills.
- Course and certification planning and roadmap.
- Get help to build a full caseload and maintain it.
- How to create a treatment plan and keep patients committed to it so they graduate and get their outcomes/why

Contact me if you have the same CORE VALUES:

- *We promote teamwork!*
- *We strive for excellence!*
- *We believe in community involvement!*

Required Competencies:

- Registered member (in good standing) with the College of Physiotherapists of Manitoba

Well, you've kept reading. That's great! Here are some more perks our clinicians have requested and received:
