

Are you a Physiotherapist looking for more time with your patients? Would you like to take your clinical skills to the next level? Do you want to work in a friendly environment with supportive staff and experienced colleagues?

If so, EastCity Physiotherapy: A Hand to Shoulder Clinic is looking for you! We are excited to announce an upcoming Physiotherapist position to commence June 2024.

Our booking structure features one-hour new assessments and only two patients per hour for follow-up visits.

Financial compensation is very competitive and our therapists enjoy a consistent busy schedule dedicated to a hand & upper extremity caseload.

We offer mentorship provided by two award winning Certified Hand Therapist (CHT) Physiotherapists, in-services and an annual continuing education allowance. We can help you level up your clinical skills!

Our ideal candidate is a Certified Hand Therapist or a Physiotherapist wishing to pursue certification. Acupuncture/dry needling training is an asset. Early morning or evening availability is a must. Path to clinic ownership is available.
