

Job Title: Physiotherapist

Job Summary/Objective:

We are seeking a skilled and compassionate Physiotherapist to join our dynamic healthcare team. As a Physiotherapist at our clinic, you will play a crucial role in helping patients recover from injuries, improve their mobility, and enhance their overall quality of life. Your expertise and dedication will contribute to our commitment to providing top-notch patient care.

Responsibilities and Duties:

- Conduct thorough assessments of patients' physical conditions, including medical history and diagnostic tests.
- Design personalized treatment plans and rehabilitation programs to address patients' specific needs and goals.
- Provide hands-on manual therapy, exercises, and other therapeutic interventions to promote healing and functional improvement.
- Educate patients about their conditions, treatment options, and preventive measures to optimize their recovery.
- Monitor and document patients' progress, adjusting treatment plans as necessary to achieve optimal outcomes.
- Collaborate with other healthcare professionals, such as physicians and occupational therapists, to ensure comprehensive patient care.
- Stay updated with the latest developments in physiotherapy techniques and research to enhance treatment effectiveness.
- Maintain accurate and organized patient records, ensuring confidentiality and compliance with legal and ethical standards.
- Participate in team meetings, case discussions, and professional development activities.

Qualifications and Skills:

- Bachelor's or Master's degree in Physiotherapy from an accredited institution.
- Valid license to practice as a Physiotherapist in Manitoba Canada.
- has experience in outpatient clinical physiotherapy practice (new graduates with strong clinical placements will also be considered).

- Strong knowledge of musculoskeletal anatomy, physiology, and rehabilitation techniques.
- Excellent communication and interpersonal skills to effectively interact with patients and collaborate with other healthcare professionals.
- Empathetic approach and ability to create a comfortable and supportive environment for patients.
- Proficiency in using physiotherapy equipment and therapeutic modalities.
- Commitment to continuous learning and professional development.

Education and Experience:

- Bachelor's or Master's degree in Physiotherapy.
- has had some form of outpatient clinical experience (new graduates welcome).

Job Location:

- 1320 Concordia Ave East R3G 06G, Winnipeg MB, Canada

Benefits and Perks:

- Support to maintain caseload
- Mentorship and guidance
- Professional development opportunities.
- Supportive and collaborative work environment.
