Important Announcement: CAPR discontinues Clinical Component, accelerates innovation

January 12, 2022

The Canadian Alliance of Physiotherapy Regulators (CAPR) announces the discontinuation of the Clinical Component of our Physiotherapy Competency Examination (PCE). CAPR will no longer be administering the Clinical Component either virtually or in person in its current form. We will continue to credential internationally educated applicants and to administer the Written Component which is delivered both face-to-face in exam centres and remotely using remote proctoring....
