## MPA - Team Bio

**Susan** focus within organizations has traditionally been on fiscal oversight of departmental operations and IT capital investments. She aims to build teams who work together to accomplish strategic and operational goals.

During her 38-year career, Susan held various roles within Finance, Information Systems and Project/Portfolio Management within Winnipeg Regional Health Authority and Shared Health Manitoba.

She has also held the roles of President and Treasurer for school, sport and community Associations in a volunteer capacity and is looking forward to leading the MPA members as Executive Director!
